## Relief for Catarrh Sufferers Now FREE

You Can Now Treat This Trouble in Your Own Home and Get Relief at Once.

Careful experiments and investigations have shown that the trouble was expelled from the nose and throat, the real cause of the disease was overlooked and in a short time the Catarrh would return stronger than ever. Mr. Gauss has gone way ahead of the ordinary methods of treatment and has provided a remedy that

### Kills the Germs in the Blood and immediately gives relief to the nose and throat.

He perfected the New Combined Treatment, since admitted to be the logical, sure, scientific method. Reese Jones, of Scranton, Penn., says that after trying many other treatments he used the New Combined Treatment and now he is well and free and is not bothered by the disease any more. The New Combined Treatment is worth its weight in gold.

Temporary relief from catarrh may be obtained in other ways, but the New Combined Treatment must inevitably be accepted for permanent results. Sarah J. Cape, Mount Pelts, Tenn., says, "I suffered the pains and distress of catarrh for thirteen years and needless to state, tried nearly every method. But by your new method I was completely cured and you cannot imagine the joy that has come over me."

### Trial Treatment FREE

This new method is so important to the welfare of humanity, so vital to every person suffering from any form of catarrh, that the opportunity to actually test it and prove its results, will be gladly extended without one cent of cost.

A large trial treatment, with complete, minute directions, will be sent free to any catarrh sufferer. Send no money, take no risks, make no promises. Simply clip, sign and mail the coupon and the test package of the New Combined Treatment will be sent fully prepaid, together with the book on Catarrh.

### How the Remedy for Catarrh Was Discovered.

THIS terrible disease has raged unchecked for years simply because symptoms have been treated while the vicious germs that cause the trouble have been left to circulate in the blood, and bring the disease back as fast as local treatments could relieve it.

C. E. Gauss, who experimented for years on a treatment for Catarrh, found that after perfecting a balm that relieved the nose and throat troubles quickly, he could not prevent the trouble beginning all over again.

On test cases, he could completely remove all signs of Catarrh from nose and throat, but in a few weeks they were back.

George Wallace was fined \$5 by Justice Maurice on the charge of being drunk and disorderly.

Quarrel Over Insurance Policy. Because he was dissatisfied over the settlement of his mother's insurance policy, it is alleged, Tom Randolph, 16 years old, was arrested yesterday afternoon by Officer G. F. Sharpe on a warrant sworn out by his brother, William Randolph, charging that he threatened to do him bodily harm. Randolph's mother died yesterday morning, and the two brothers quarreled over her will.

Daily Day Exercises. Special rally exercises will be held this morning at the Sunday school in Central Methodist Church. Prof. E. E. Smith, principal of the Sunday school, will address the scholars. An interesting program of musical selections and recitations has been arranged. Rev. J. M. Kline will preach at both services today.

Mr. Carter Out Again. W. J. Carter, who had been confined to his home for the past week, following an operation on his foot, is now able to be out.

## LUNCHEON IN HONOR OF MISS WILSON

Will Be Given by Miss Genevieve Clark at Congressional Club on Wednesday.

[Special to The Times-Dispatch.]

Washington, November 15.—Miss Genevieve Clark, daughter of the Speaker of the House and Mrs. Clark, will entertain Miss Jessie Wilson, the bride-elect of the White House, at a buffet luncheon next Wednesday, November 19, at the Congressional Club.

Invited to meet Miss Wilson will be the unmarried daughters of Senators, representatives and cabinet members. Other guests will be Miss Wilson's two sisters, the Misses Margaret and Eleanor, Miss Wilson's bridesmaids and Miss Helen Woodrow Benes, Miss Wilson's cousin.

The luncheon will give an opportunity to Miss Wilson to meet many of the congressional girls she was unable to invite to the wedding.

It is understood that the Senate has definitely decided upon a silver tea service with a chrysanthemum design. It was the desire of many of the Senators to present a chest of silver, but through a misapprehension about the joint gift, many Senators had picked out individual gifts, and therefore, the fund from the Senate is not quite enough to permit of the gift of a full silver service.

From Supreme Court. The Chief Justice of the Supreme Court and the associate justices went shopping to-day for a wedding present for Miss Wilson. They selected a handsome silver centerpiece, which will be sent to the White House as a present from the Supreme Court. This centerpiece is in the shape of a narrow boat, standing on a glass and silver tray, and has four tiny vases surrounding it.

Many members of the diplomatic corps are still "marking time" until they hear from their countries about gifts. Many of those in legation circles who decided on flowers, have reconsidered because of the fact that the other ministers have sent gifts. So far there have been no gifts from the rulers of foreign countries.

The French embassy gift, it was learned to-day, is a flower vase of silver.

A local milliner is making many of the hats to be in the trousseau of Miss Jessie Wilson. Most of them are in dark colors and of medium round shapes. One of them which will probably be her "best" hat, is made of soft black chiffon velvet, with the crown and the upper part of the brim of silver cloth, but short black plumes stand out from the back crown. Another hat is made entirely of black tulle and lace, and is the only one of the picture variety.

### CORONER EXONERATES SON.

Gloom in Big Stone Gap Over Recent Killing. [Special to The Times-Dispatch.] Big Stone Gap, Va., November 15.—The tragedy which occurred here night before last, when Robert Wells, seven years old, was killed by his father, Jerome L.
